### Specialization

Business Management

2022 - 2024

### Additional Training

Web Development – HTML,  
CSS, JavaScript

(Completed 2025 – Self-  
Learning & Projects)

## ABOUT ME

I am a commerce graduate specializing in Business Management with a growing expertise in web development, including HTML, CSS, and JavaScript. My passion lies in creating clean, responsive, and visually appealing websites that deliver an excellent user experience. I combine my business knowledge with technical skills to design solutions that are not only functional but also aligned with client objectives. I am seeking opportunities to apply my skills, contribute to projects, and continue growing as a professional developer.

## WORK EXPERIENCE

Web Development Projects  
(Self-Learning & Freelance)  
Remote | 2025 – Present

- Personal Portfolio Website – Designed and deployed a responsive portfolio showcasing skills and projects.
- Netflix Clone – Built a functional UI clone of Netflix using HTML & CSS, focusing on layout and styling.
- Interactive Quiz App – Developed a browser-based quiz with score tracking and user-friendly design.
- Online Form – Created a fully styled, responsive form with validation features.
